

Certificate of Conformity with the requirements BSEN 13374: 2013

Telesafe - Telescopic Guardrail System

This certificate of conformity relates to all the components of the Telescopic Guardrail System supplied by Safety Platforms Ltd.

- 1) **Name and Contact Details** of the Manufacturer who is certifying compliance of the product with the requirements of BSEN 13374: 2013 Class A.

Safety Platforms Ltd, 67 Alverthorpe Road, Wakefield

Tel: 01924 420820

Email: info@safetyplatforms.co.uk

Web: www.safetyplatforms.co.uk

2) Design

Telescopic Guardrail System from Safety Platforms has been designed in-house to comply with BSEN 13374: 2013 Class A.

3) Manufacture & Quality Control

All components are manufactured in house in our quality controlled production facility.

All plant & machinery are tested and certified to ensure correct functionality.

All operatives are suitably trained and certified to carry out the task being undertaken.

All raw materials are inspected upon delivery and prior to fabrication to ensure suitable quality.

Once manufactured all items are independently inspected to ensure correct quality.

All items are outsourced for external powder coating.

All items receive a final inspection prior to dispatch.

4) Testing

The system has been tested to meet the loading requirements of BSEN 13374: 2013 Class A.

67 Alverthorpe Road, Wakefield, West Yorkshire, WF2 9NU
Tel: 01924 420820 Email: info@safetyplatforms.co.uk or visit
